Grand Knight's Message

Dear Brothers Knights,

I am hopeful that your Christmas celebrations were joyful and deeply spiritual. As we continue our celebrations through Easter, let us continue to search for ways to increase our ranks. We have plenty of materials that we can provide to men who may be interested in joining our council and we should be planning a recruitment drive within the next few months so please let us know if you have any ideas that may help improve our drive.

Since there aren't a lot of council-related activities requiring our time this month, perhaps we could spend some time visiting the Knights of Columbus official website to catch up on the latest news and guidance. There is a "The Year in Review" slideshow available on the site and we may find some fresh ideas for us to add to our activities.

As a reminder, the official website is <http://www.kofc.org>.

As America prepares to welcome a new president, the Knights of Columbus is urging its members and other Catholics to pray the Novena for National Unity from Thursday, Jan. 12, through Inauguration Day, Friday, Jan. 20. The prayer invokes the maternal intercession of Mary, the Immaculate Conception, patroness of the United States. You may find the prayer within the "Novena for National Unity" link on the KofC.org site's main page.

I believe that our next big event is the Knight at the Races in early April and we should be providing more information during our next council meeting. This is such a fun and productive event and I hope that we will have a tremendous turnout.

Please join us Tuesday, January 17th at 8:00 PM for our monthly council meeting. I plan to arrive early so feel free to provide me your suggestions. I'm sure some of you must have ideas as to how we can strengthen our council. Thank you for your time and consideration.

May God bless you and keep you safe always.

Your brother in Christ,
Michael Healy

The Value of Life Insurance for Children

As a father, you worry about your children and do everything you can to protect them. You try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance for your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus with a guaranteed purchase option, it guarantees that more insurance can be purchased for that child at certain set dates, without proving insurability.

Unfortunately, as fathers we don't have a crystal ball, and we don't know what the future may have in store for our children's health. But did you know that right now you can purchase a child's policy, in many cases, for less than \$10 a month?

I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretted buying coverage on their child.

Contact me today to discuss the many policy options for child plans, including 10- and 20-Pay life insurance.
