Grand Knight's Message

My Brother Knights,

The Holidays have passed and I hope it was a special time for you and your family. I wish you and your family a happy, healthy, and prosperous new year. It is hard to believe that as I write this message that I am starting the 2nd half of my term as grand knight. Let us accomplish much in the remaining six months of this fraternal year. The Massachusetts State Council K of C awarded \$6500 to the family of Erin Matthews for a van conversion so that it would be easier to transport Erin and her wheelchair. The conversion has been done and I went to the shop to see the conversion and pay for the work. What a beautiful job. The family is very grateful to the knights for spearheading this for them. Hopefully, I will have pictures of the conversion at the next meeting. This award came from the Tootsie Roll receipts and should encourage us all to be even more active in the drive this coming year.

Len Angers and I will be attending the Mid Winter Conference on January 7th and will bring back the latest updates from the State Office.

Our scholarship committee will be bringing the final draft of their new process to the January meeting. They have done an outstanding job and there was much discussion concerning it at the December meeting.

Our next meeting will be held on January 17, 2012. Come join your brother knights and bring your suggestions and ideas to improve this council.

Looking forward to seeing you on the 17th!

Fraternally yours,
Dick Burton, GK
